RETURN POLICIES

Were you to find inconsistencies in you order, immediately communicate with your sales representative or with customer service at 1-800-665-8787. We invite you to notify us within 10 open days after you have received your order for any problems or dissatisfaction, and we will find a solution. Lieberman Tranchemontagne is not responsible for damages caused during transport. After you have received merchandise, no return is possible without an authorized merchandise return number provided by us. All returns of merchandise due to customer error will be charged with freight and handling fees. Custom products are not returnable unless client directives have not been executed correctly.
